South Bay FSC Testing Policy Revised December 1, 2013

Due to the large quantity of test requests and limited ice time and judge availability, the South Bay FSC is implementing a more formal test request policy. Please note the following guidelines:

- (1) An effort will be made to schedule ice time for tests each month, but at least every other month. Test sessions will be on Sundays whenever possible, but may at times be held on Thursday evening during Club Session.
- (2) The testing schedule is dependent on the hockey schedule. Test dates and times will be posted on the South Bay FSC website, www.southbayfsc.org or www.southbayfsc.com as soon as ice time is confirmed.
- (3) Make sure the forms are completed in full, including desired month for the requested test, coach's signature, contact information, and type of test requested.
- (4) Completed forms must be submitted with all appropriate test fees, including the \$10 HOSPITALITY FEE. This covers refreshments for the judges and test volunteers. No test will be scheduled without payment first.
- (5) Test applications will be processed in the order received. Requested test date may not be available due to limited ice time or judge availability. Requests received after the roster has been filled will be charged an additional \$30 late entry fee OR will be postponed to the next available test date.
- (6) Requests received after a panel of judges has been confirmed may be rescheduled to the next test date, if the confirmed panel is not the appropriate judging level.
- (7) **NO REFUNDS** will be given for tests cancelled less than 7 days prior to the test, unless accompanied by a doctor's note showing proof of illness, injury or accident. If the skater is not ready for test do NOT submit form.
- (8) Fees for tests postponed due to insufficient ice time or judge availability will not be charged until the test makes it to the roster, and the correct level panel of judges is available.
- (9) Test sessions with fewer than 10 skaters, 10 days out from the test date may be rescheduled to a later date.

Thank you for your cooperation!
